**4. Casino Fundraiser Update:** Marian Z. thanked Tom Wiebe for organizing the casino fundraiser this year. It was a huge task to organize 44 volunteers for two days and Tom handled all the paperwork and management flawlessly. We hope that this event will raise \$70,000 - \$80,000 but we won't know until sometime in 2026.

**5. Financial Update:** Kurt Dangerfield (Treasurer) provided an update on the accounts.

**General Account update.** The current balance is ~\$6,000. This funding can be used flexibly, for events, staff appreciation, treats for students etc. As mentioned in the "School Council" meeting, the goal is to raise \$5000 per year through donations and events for this account.

**Casino Fundraiser Account.** Funds raised through Casino Fundraisers can only be spent on specific categories of expenses. Currently available: approx. \$83,000 which must be spent by February 2027. Based on the flow of funding, we aim to spend approximately \$50,000 each year. Funds earned at November 2025 casino will be received in early 2026. UES will be able to host a Casino Fundraiser again in Fall 2027
