3. Approval of Agenda

- Motion: Salim Ahmed. Seconded by: Jaclyn Schmitz

4. Updates from the Chair:

- We still have a healthy amount of funding from the Casino Fundraiser that should cover costs of residencies, additional materials, etc. for 2026/2027.
- While technology devices had been proposed earlier in the year, the CBE advised that they should delay these purchases, which leaves some unspent funds from the 2025/2026 budget.
- School T-shirt for the student teacher coming from Mount Royal University – Everyone agreed to cover the cost if it is within \$200. This would be designated to the Community account (funds raised through events and community donations).
- Freezies for Sports Day – These will be covered by the Community account (funds raised through events and community donations).
- Gr. 6 graduation – \$300 is available from the Community account budget. There are also blue and white decorations leftover from the Winter Ball that can be used.
- September Open House: The team agreed to look for a date that would ensure maximum participation can be achieved.

6. Adjourn. Meeting closed at 7:27 PM
